currents Contributors editorial "Spotlight Page" and "Spot Column" SUBMITTAL GUIDELINES

Our goal is to visually promote the nature of your materials while we also maintain a consistent visual style for our publication. This guide provides space and pricing options and submission specs for Currents Spotlight pages and columns.

SPOTLIGHT SPACE & PRICING OPTIONS*

Spotlight full page	\$ 650.00
Spotlight double page spread	\$1100.00
Spot Column (half page vertical)	\$ 350.00

MATERIALS DUE DATES:

Reserve space by July 31

Send text and images by August 12

HOW TO SUBMIT YOUR TEXT:

Please submit text in Word Docs with all bold, italics in place as you want them.

Use paragraph returns after headings, subheadings, ends of paragraphs, or ends of any lists of information where a column of text is intended. Please do not use hard returns within paragraphs to try to format the text.

Your articles and images may be edited as needed based on standards set by our editor and designer. We can advise once materials are in hand, and show you preliminary examples.

PROVIDE SOME NOTES ABOUT SPECIAL TREATMENT OF TEXT SECTIONS

Please advise if you want some special formatting treatment such as: [call out box], [dominant headers] [possible sidebar text], etc. Calendars, facts and figures, timelines, histories, testimonials, short articles, and announcement information work well as sidebars or call-out boxes.

Please color highlight any text sections about any missing information (dates/names, facts/places) that you might need to send later.

HOW TO SUBMIT YOUR IMAGES

Please target two to three visual images (plus your logo for the masthead area) per page; for single column sidebars, include one image.

If you want to use more than the recommended number of images, please limit your text accordingly.

If a digital image is too large for email, contact Jeanette Alexander for a place to send as a link to the file(s). Digital images at 300 DPI at the full size of image will print best.

Lower resolution images (72 DPI) must be four times the actual size of image size that prints, or 180 DPI at two times the size. Send us a digital image that you hope to use, so we can evaluate and advise. If you only have hard copy, if it is no larger than 8.5 x 11, Jeanette Alexander can scan and create a digital file.

IMAGE CAPTIONS & PHOTO CREDITS

Please include your captions, image credits, dates, etc., at the end of your Word doc, and include name or number related to the image(s) that are meant to accompany. We can also simply put a line of text at bottom that states "Courtesy images this page" if you do not have known credits.

SPONSOR LOGOS

If you provide sponsor logos, we'll most likely place at the bottom of your page. Please include the files in 300 dpi print resolution or as a large image file.

Thank you for reviewing these guidelines for your submittals. Please contact Jeanette Alexander jalexgd@sounddsl.com with any questions. We look forward to working with you!

PREFER TO RESERVE A DISPLAY AD?

To reserve a Display Ad space instead of a spotlight page or column, or in addition to purchasing a spotlight page, please contact **Juliet Schlessler: julietjs5@gmail.com** or 206.780.5335. See ad rates and specs on page 3 of this guide.

* PLEASE NOTE:

Currents page layouts are edited, designed, and produced by Currents staff to maintain visual and editorial continuity. **Two hours of staff time is included in the cost of your space purchased.** This covers time for editing, design and production, including email, consulting, initial composing of the page, image processing, revisions, new proofs provided and final file print setup and processing.

Complex layouts with more than 5 images to process and place with your text can easily exceed the time included in costs. We'll alert you when just 15 minutes are left, if further revisions requested create additional time. The extra time will be billed by the Arts & Humanities Council if incurred.

QUESTIONS/MORE INFORMATION:

Jeanette Alexander, via email: jalexgd@sounddsl.com or call 206.842.6368.

Why be a part of Currents?

Currents is published seasonally **three to four times a year, and mailed FREE to every postal patron on Bainbridge Island.** Copies are also available free at many venues and businesses on Bainbridge Island, in Seattle and greater Kitsap County. Each issue includes an events calendar with no cost listings, featured spotlight pages, and advertising opportunities at very reasonable rates. 15,000 copies are printed each issue and this publication has been published for over 25 years.

It costs LESS for you to be included as a page or column than it does for you to do your own all-island mailing. Factor in costs for design layout, production, printing and postage for 12,000 pieces for an all-island mailing, and you will discover your costs to be around \$1500 to \$2000 or more for your one-time all island mailing!

All of the Currents spotlight page layouts are edited, designed, and produced by Currents staff to maintain visual and editorial continuity as with any magazine or quarterly.
