Anne Smart
Executive Director

We are delighted to announce your student's classroom participation in Arts & Humanities Bainbridge's 2018-2019 Arts in Education Program. Now in its 20th year, this award-winning program places professional teaching artists in classrooms for multi-day residencies. Each artist residency is tailored to the specific age and grade needs of your classroom in alignment with state learning standards. The pairing of high-level artists and classroom teachers provides powerful arts learning for your student. Additional details regarding your student's artist residency can be found at the conclusion of this letter.

The AHB Arts in Education Program is a partnership with the Bainbridge Island School District, the Washington State Arts Commission (ArtsWA), local school PTOs, principals, classroom teachers, and our teaching artists.

Arts in Education is made possible by grants from ArtsWA, the City of Bainbridge Island, the Bainbridge Community Foundation, and the Suquamish Foundation, as well as by generous donations from families like yours through One Call For All. We thank you for your consideration and support as we maintain this dynamic program.

If you have any questions regarding the Arts in Education Program, please feel free to contact me at ed@ahbainbridge.org.

Sincerely,

A handwritten signature in black ink that reads 'Anne'.

Anne Smart
Executive Director
